David--I would respectfully request on behalf of the applicant that the Commission grant an extension of 3 days to prefile direct testimony. After discussions with the ORS, the applicant would also request that all remaining prefiling deadlines be extended by 3 days. Thanks. Scott Elliott

South Carolina

Ms. Janssen:

Thank you for submitting the testimony in the above-captioned matter. Unfortunately, it was two days late. Please e-mail a request that the Commission accept the late-filed testimony, copying all parties, and I will certainly consider the request. Thanks.
